

Recycle Small Appliances

at

Watertown Recycling Center

727 W. Cady Street

Watertown, WI 53094

All Jefferson County residents can bring their small electrical appliances including the cords to Watertown for recycling.

Small appliances are recycled only at this site.

Here are examples of small appliances that are accepted:

Blenders	Hair Dryers	Toasters
Carpet Cleaning Machines	Household Mixers	Toaster Ovens
Crock Pots	Irons	Vacuum Cleaners
Curling Irons	Microwaves	Waffle Irons
Electric Floor Scrubbers	Power Tools	Any small appliance with a cord and made from metal and some plastic.
Electric Frying Pans	Roasting Ovens (Nesco's)	
Electric Grills	Space Heaters	
Fans	Sump Pumps	

Not accepted: small appliances with Freon in them. Air-conditioners, de-humidifiers, and dorm refrigerators must have a certification tag from a licensed Freon remover before it will be accepted. All major appliances (white goods) should be sent to your local metal recyclers or exchanged at the time of purchase.

NOTE: If a small appliance is in good working order why not donate it to your local St. Vincent DePaul, Good Will, or thrift shop? Always call first to be sure they accept small appliances before dropping them off.

Check the Jefferson County website www.jeffersoncountywi.gov for more information on recycling or the Clean Sweep Program. You can also call (920) 674-7430.
